## About the Outreach Program

The Sussex County Community Outreach Program assists families and individuals overcome obstacles in order for them to become self-sufficient. Established 18 years ago by St. Peter's Episcopal Church in Lewes, the program has assisted countless individuals and families in Sussex County, offering help regardless of race, sexual orientation or religious affiliation.

The program's volunteers donate their time and talent, remaining connected to the individuals or families seeking help until the end goal of self-sufficiency is achieved.

Each referral is assessed by a professional social worker whose experience includes more than 19 years with the Delaware Department of Services' Child Protective Treatment Unit and as a liaison to family court.

Since there are no administrative expenses or staff salaries, every dollar donated to the program goes directly to assisting the needy. All donations to the program are tax deductible to the fullest extent allowed by law.

Yes, I/we would like to help the Sussex County Community Outreach Program with their important mission.
